**Oral Health Initiative Contract Amendment**  
Supporting Document

**Overview**

The Commission is asked to amend the contract for the Community Clinic Health Network for FY 2009-10 for an additional \$1,080,500 to expand oral health services for children and pregnant women provided as part of the Oral Health Initiative.

At its meeting in December 19, 2008 (Item 10), the Commission allocated up to \$7,085,000 to expand safety net services for oral health. These funds were allocated, but not encumbered. The request is to encumber \$1,080,500 of these funds against the contract for the Community Clinics Health Network for FY 2009-10 to expand oral health treatment services and expand care coordination services for children and pregnant women.

**Staff Recommendation**

1. Find that the proposed contract amendment is consistent with the Commission's Strategic Plan, furthers the support and improvement of early childhood development within the County and provides a public benefit.
2. Authorize the Executive Director or designee to amend the contract for the Community Clinics Health Networks for FY 2009-10 for an additional \$1,080,500 to expand oral health services for children and pregnant women provided as part of the Oral Health Initiative.

**Fiscal Impact**

Up to \$1,080,500 from the \$7,085,000 previously allocated by the Commission for oral health safety net services.
