

FIRST 5 COMMISSION OF SAN DIEGO COUNTY
STRATEGIC PLAN 2010-2015

March 19, 2009

DRAFT GOALS

Overarching Goal

Strengthen the relationships essential for the healthy development of young children.

These relationships manifest in health, learning, family and community settings or environments.

Health

Promote each child's healthy physical, social and emotional development.

Learning

Support each child's development of communication, problem-solving, physical, social emotional and behavior abilities, building on their natural readiness to learn.

Family

Strengthen each family's ability to provide nurturing, safe and stable environments.

Community

Build each community's capacity to sustain healthy social relationships and support families and children.
